Superintendent Davenport,

On June 10, 2016, the State Treasurer, pursuant to Section 1220(5) of 2015 PA 111 (MCL §380.1220(5)), determined that the Beecher Community School District (BCSD) was statutorily mandated to submit for approval an enhanced deficit elimination plan (EDEP). On February 21, 2018, the BCSD submitted an amended EDEP for Treasury's consideration.

This letter serves as approval of the district's EDEP. This letter of approval recognizes that the district shall do the following:

- Reduce the deficit by at least the targeted amount of \$317,077
- Continue to review district operations to identify additional cost savings from FY 18 through FY 2020; and incorporate any additional costs that are needed to implement the district's strategic plan.
